

Summer Math

Entering 7th Grade Returning Students

This year your Summer math will be completed online.

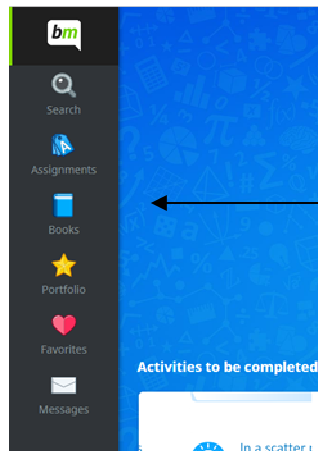

To access your summer math complete the following steps:

1. Go to the website: <https://www.buzzmath.com/SignIn>.
You can also download the app for Buzz Math. (see back)

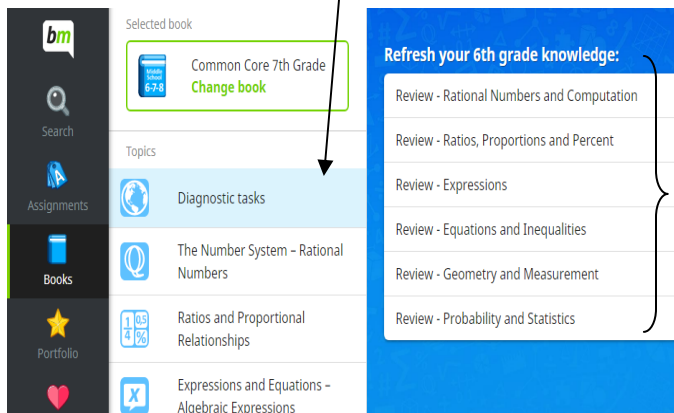

2. Log in to your account

If you have lost your account information, email Mrs. Crawford, ccrawford@st.philip-neri.org

3. Click on Books.
4. Select the 7th grade book.

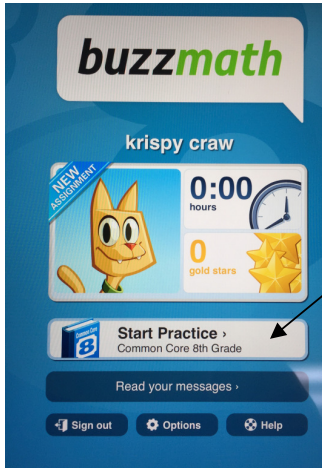

Click on the Diagnostic tasks.

Complete the Refresh your 6th grade knowledge section.

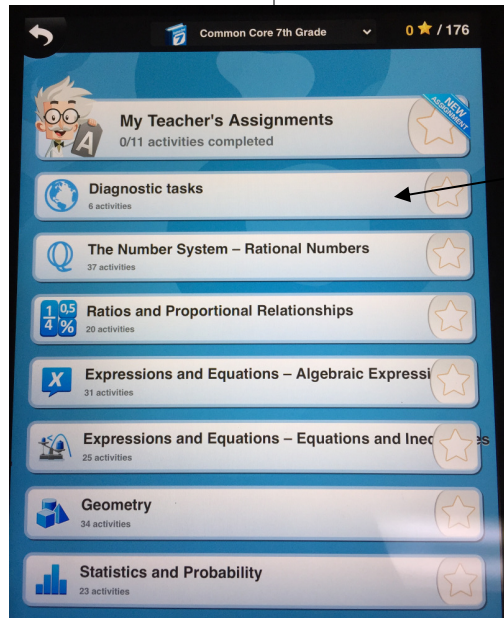

Your teacher will be checking on your progress this summer!

If you are using the app:

1. Load the app onto your device.
2. Log in to your account

3. Click on Start Practice
4. Make sure you are on the 7th grade book.
5. Complete the assignments on the front of this paper.

The App will no longer be available to use as of June 28th.

They are updating the software so that you can access the program from a browser on your tablet.

You will be able to access Buzz Math on a computer all summer long. *Please email Mrs. Crawford with any concerns.*
