SPN FALL SOCCER

It’s time to sign up for St Philip Neri’s Soccer Program for boys and girls entering 4 Year PreK through 8th grade this Fall.

Intramural is for children entering 4 Year PreK and Kindergarten this Fall. This program will begin the 2nd week of September and run through the last week of October. All practices and games will be played at SPN. The cost is $40.

CYO Games will be on Saturday (boys, U8 girls or co-ed) or Sunday (all girls U10-U14) with weekday practices. We would play at SPN and travel to other Catholic Parishes in the Baltimore Metro area.

CYO Practices begin mid-August. CYO Games run September through mid-November.

The CYO league allows us to play at four different levels for U10 and older, which we won’t decide until we see the skill level of each team. Teams will be built based on player skill and # of coaches available.

Teams are formed based on the following ages...

Intramural: 4 Yr Prek-Kindergarten…COST $40
