

ST PHILIP NERI NEW STUDENT REFERRAL PROGRAM

You are our most valuable source for spreading the good news about SPN and we wish to incentivize bringing new families to our school!

How does it work?

For each new family that enrolls at St. Philip Neri School your family will receive a

\$250 discount off of tuition per referral!

Listed below are the guidelines for this NEW STUDENT REFERRAL PROGRAM:

- The enrolling family must mention referring family's name to the Advancement Director or write your name down on the SPN "Prospective Student Information" form that is completed on their first visit to the school.
- The "new" students cannot be siblings of current/alumni students.
- Only full time entering Kindergarten through 8th grade students are eligible for the \$250 discount. For Pre-Kindergarten referrals please contact the Admissions Director.
- Referring and referred family must be enrolled for the entire school year.
- The discount is paid out as a one-time credit on the referring family's last tuition payment in April. If tuition has been paid in full before April, then a check will be issued.
- As a referring family you may receive multiple discounts, not to exceed the total family tuition cost.
- If more than one current family refers the same new family the discount is split.
- New Student Referral Program is starting for the upcoming school year.

What is the best way to invite prospective families?

Person to person is the best approach! Use email, social media, or however you are most comfortable chatting about SPN. If you would like a school brochure to share with a prospective family, please either pick one up in the school office or ask Mrs. Sue Wenzlick.

Questions?

If you have any questions about this new program, please contact Mrs. Sue Wenzlick at 410-859-1212 ext. 207 or swenzlick@st.philip-neri.org.

Thank you for helping build our school community!
